

# Regional safety award winners – GMBA

In August *SA Builder* attended the Gauteng Master Builders Association (GMBA) Regional Safety Awards function in Midrand. This event, hosted by GMBA executive director Colin de Kock, was very well attended by industry and MBA members.

Guest speaker Ronnie Khoza, CEO of Construction Industry Development Board (CIDB) delivered an inspiring address saluting the construction industry for their achievements leading up to the ultimate success of the 2010 FIFA World Cup (see page 16).

Of particular interest in this year's awards is the special mention award of recognition presented to Stefanutti Stocks Building Inland for achieving a Five Star grading on all 11 sites audited. Greig Bastion collected the award on behalf of Stefanutti Stocks. ■

*Special mention: Stefanutti Stocks Building Inland, 5 Star System (Chris Roberg/Colin de Kock)*

*Greig Bastion collects the special award for achieving a Five Star grading on all 11 sites audited on behalf of Stefanutti Stocks Building Inland. Greig is Stefanutti Stocks' Contracts director. This is the first time this award has been made in Gauteng and is presented here by GMBA president Chris Roberg*
